

Information for Oral Presenters

Please note the oral presentation times for c NBC2023 sessions is allocated both for reporting and questions.

Data presentation

Presenters are requested to use Windows-based conference computer equipment. If using a **PowerPoint** presentation (or any other format, such as PDF), please note you need to **upload your presentation on NBC2023 website: <https://nbc2023.lmifb.lv/upload-your-presentation>**

Using your own laptops.

We strongly recommend not using own computers for presentation. Please note that the time used for connecting own computer will be deducted from the presentation time.

You may supply your own laptop computer as a back-up. In such a case please confirm that it has a HDMI socket for external signal and come to check it during the coffee or lunch break prior to your session, at least 30 minutes before the start of the session.

Important note for Mac users

In order to use MAC presentations on a PC compatible computer please note that you need to prepare it according to the instructions below:

1. Use a common font, such as Arial, Times New Roman, Verdana etc. (special fonts might be changed to a default font on a PowerPoint based PC).
2. Insert pictures as JPG files (and not TIF, PNG or PICT - these images will not be visible on a PowerPoint based PC).
3. Use a common movie format, such as AVI, MPG and WMV (MOV files from QuickTime will not be visible on a PowerPoint based PC).

You may use your own Macintosh laptop computer. In such a case please **confirm that it has a HDMI socket** for external signal and come to check it first during the coffee or lunch break prior to your session, at least 30 minutes before the start of the session.

WiFi Internet access.

WiFi Internet access will be provided in all conference halls. the network name and access password will be displayed at the entrance to the hall.
